

EVERY™ CONFIDENCE.
ENCORE

**PRE-OWNED AUTOMOTIVE
ENGINE PROTECTION PLAN**

Extra Confidence. Every Mile.

When you're buying a used truck, you don't want to take unnecessary risks. So make sure there's Cummins power under the hood. Then, to make sure you're getting the best of the best, ask for Encore pre-owned engine coverage from Cummins. Only engines that pass every one of our strict quality tests can receive this coverage, which protects you from costly repair bills down the road.

The Encore Protection Plan.

Cummins Encore gives you both peace of mind and financial security. In order to receive Encore coverage, your Cummins ISX, ISM, ISL, ISC, or ISB engine has to pass a stringent quality exam. So even if it is almost six years old you can still buy an Encore-covered engine with confidence. And you can drive it with confidence, knowing that Cummins stands behind each and every Encore warranty.
