

**SERVICE YOU CAN DEPEND ON.  
EVERY TIME.**

**QuickServe®**

## **Cummins QuickServe® Promise.**

Uptime is critical to your business. Keeping your equipment working is a priority for you – and for us. That's why Cummins offers QuickServe: a comprehensive service strategy designed to deliver fast, accurate maintenance and service repairs. Our promise is to deliver the right parts, dependable service, and the support you need – when you need it.

## **Dependable Service.**

Every authorized Cummins distributor service location is equipped with state-of-the-art repair tools, electronic hardware, and diagnostic software. Our technicians are factory trained on the latest advances in engine design, diagnostics, and repair techniques. Every location maintains a full inventory of Genuine Cummins new and ReCon® parts. With Cummins exclusive QuickServe® Online information portal, our service professionals have instant access to parts and service information for over nine million Cummins engines. Every job is warranted and backed by the largest authorized service network in the world. Cummins provides quality service you can depend on. Every time.

## **Quick Turnaround.**

When you bring your equipment to an authorized Cummins QuickServe facility for minor service or repair, we'll get you back in service the same day.

## **Mobile QuickServe.**

Some equipment can't be transported to a repair location. We'll bring QuickServe to you. Our QuickServe truck and a certified Cummins technician will be dispatched to your location within four hours of your call for service. We'll arrive with the diagnostic tools, repair equipment, and Genuine Cummins new and ReCon parts to repair most equipment on the spot. In fact, most on-site repairs are completed within 24 hours of the initial call.
